St Nicholas' Church, Ash

The grounds around St Nicholas Church encourage nature to bloom and grow! Currently there are some interesting butterflies and insects in the churchyard please do go and look! Check out where the grass has been left long and there is knap weed in flower, it is a purple flower that looks a bit like a thistle without prickles! The Eco Church display board in the church shows the species found so far.

You'll find our bookstall in the Molland chapel, opposite the quiet prayer corner. A mix of books for all ages for just 50p a time (into the wall safe by the glass doors) Donations towards the cost of maintaining the church. Book donations gladly received - leave them in the box underneath, please.
